The Affiliate Council awards the Affiliate of the Year Award to an individual that exemplifies the AGC motto of Skill, Integrity and Responsibility, strongly supports the role of Affiliates within the AGC and actively promotes the AGC through committee involvement and participation in AGC events. But really this is a Data Net award, Data Net invests in me and in Marketing and we all agree that the time I invest in the AGC is time well spent contributing to our industry and our community.”

“We are very proud of the incredible accomplishments Mandy has achieved throughout this year,” says Rob Slaughter President of Data Net. “We are a company that believes in investing in the community and we value the relationships we have with our customers, prospective customers and peers in the industry.
